Environmental Concern	201 Boundary Lane	PO Box P	St. Michaels	MD	21663	410-745-9620	construction@wetland.org	http://www.wetland.org/	Stear, Gene	Environmental Concern (EC) is a non-profit established in 1972. We are dedicated to wetland restoration and creation; native plant horticulture and wetland education & outreach. We have created over 30 miles of Living Shoreline and restored more than 1,000 acres of wetland in the Chesapeake Bay Watershed. Our nursery, the first wetland plant nursery in the United States, grows more than 120 species of native wetland plants. EC designs and constructs wetlands, wildlife habitat restoration, habitat landscaping, rain gardens, EC provides native plant recommendations and ecological consulting.
