

## *Campaign to Stop the Intercounty Connector*

We, the undersigned:

- Oppose the Intercounty Connector and Outer Beltway on all alignments;
- Urge Governor O'Malley to stop taking people's homes and land immediately;
- Support converting all publicly owned land in the ICC right-of-way acquired prior to 2005 to public parkland, primarily for natural habitat; and
- Support non-highway alternatives that integrate improved community planning with improved public transit, improved bicycle and pedestrian access, and other measures that give more choice in transportation and fight global warming..
